			Belle Prairie	Fayette	Germanville

County Operations:

The Livingston County ETSB operates a 9-1-1 Communications Center called LivCom that handles most emergency communications in the county on 2 Networks, one for Police and the other for Fire/EMS. Each has 2 repeaters and 5 simplex channels. F7 on both networks is a common simplex channel to allow both disciplines to communicate with each other. Several new police channels have been licensed, but use has yet to be determined.
