

St. Clair County Illinois

Many thanks to Terry Weatherford, Chris Hanna, Bill Janes and members of ScanIllinois, CARMA, StLASE and RadioReference who provided much of the information for the MetroEast area Profiles!

St. Clair County PSAPS:

- St. Clair County (CenCom)
- Belleville
- Cahokia
- Caseyville
- Centreville
- East St. Louis
- Fairview Hts
- O'Fallon
- Swansea

CenCom:

CenCom is the County 9-1-1 Center, based in Belleville. CenCom has been a leader in many phases of 9-1-1, especially wireless. CenCom guides the APCO25 trunked radio system and assists in coordination of the statewide StarCom21 system. Many VHF and UHF operations remain on the legacy channels but many are being switched to the TRS. Fire paging has been consolidated to 154.190, most operations have been switched from 154.190 to alternate channels.

The County APCO25 trunked system is owned and operated by the County but is fully compatible with and connected to StarCom21. It acts as a site within the StarCom21 system and radios can roam between the 2 systems. See [www. RadioReference.com](http://www.RadioReference.com) and [CARMA StarCom21 Profiles](#) for frequencies and talkgroup information.

Township Highway Departments:

Belleville		Lebanon	156.2250	Shiloh Valley	156.1050
Canteen	156.1050	Lenzburg		Smithton	
Caseyville	453.550, 156.195	Marissa	159.1800	St Clair	156.2400

Mid America St. Louis Airport/Scott Air Force Base: (Mascoutah)

Attached to and sharing runways with Scott Air Force Base, MidAmerica is envisioned as a supplement to St. Louis Lambert, to serve as an alternate for commercial and general aviation. While operations have not materialized to the levels anticipated the potential for scheduled and corporate service is present. Some operations have moved to the St. Clair County TRS.
