## Will County Railroads

At Joliet Union Station (“JUS”) in downtown Joliet 3 mainlines come together, and several ownership changes take place. Running E-W is the former Rock Island mainline from Chicago to the Quad Cities. East of JUS this track is owned by Metra, west of JUS it is owned by CSX until Bureau, where ownership changes to IAIS. Freight operations are run by both IAIS and CSX.

Running N-S thru JUS are what is actually 2 separate lines, but run as a single rail route. One is the BNSF (former ATSF) Chillicothe Sub running from Chicago to Kansas City, the other is the former Alton Route, once owned by GM&O, ICG, CMNW, SP and now Union Pacific south of JUS. North of JUS this line is owned by CN via its merger with IC.

Metra runs trains on both the CN (Heritage Corridor) and it’s own track (Rock Island Service). Amtrak also calls on Joliet via the CN/UP/BNSF corridor. Amtrak also runs on the CN’s former IC line thru Peotone.
